

Up to 63% of Businesses Don't Survive after 4 Years!

Only 1 in 25 companies
will last ten years!

According to the latest reports the chief reason/cause is
Lack of Marketing Knowledge or **Managerial Experience**

If your business is alive and going strong beyond this, you're practically a miracle - yet with the new emerging economy it's never been more important to keep updated on the latest strategies and tactics. In fact the same skills that got you where you are now are not guaranteed to take you to the next level.

VI Small Business Development Center

in conjunction with the U.S. Small Business Administration

Presents - **Small Business Week - 2013**
